Mr. Yoskum advocated co-partnership

luding a profit sharing between the two.

N. M. Wallace, president of the Cen-tral Trust Company and head of the Rock Island bondholders committee, that has begun foreclosure proceedings

to compel the sale of the \$71,000,000 of Rock Island stock held as trustee by the trust company, also appeared as

witness yesterday. Questions asked by Counsel Folk indi-

cated a suspicion that some of the old Rock Island crowd is behind the present foreclosure proceedings, but this was de-nied emphatically by Mr. Wallace, who

asserted that the forced sale of the \$71,-100,000 at this time would have the ef-fect of wiping out the \$350,000,000 of se-curities of the holding companies.

Sale of Frisco. Mr. Youkum described in detail his sale of the Frisco to the Rock Island in 1903

at 120 a share and his re-purchase of the

stock in 1908 at 27 1-2 a share

A "paper deal" was the way he characterized it. The Rock Island, he said, paid \$51.60 each a share and paid the rest

in ten-year collateral notes of the New Jersey holding company. In other words, Yoakum said Rock Island, paid him \$17,500,000 cash for the Frisco and sold it, back to him for \$10,000,000 cash six years

later.

How Yoakum "put one over" on the late E. H. Harriman in the purchase of the Chicago and Alton, then controlled by Harriman, was developed on questioning by Folk. The Bock Island wanted the Alton, but waited until Harriman

went to Europe.
"We considered it a more propition

We considered it a more proportion time then," said Yoakum, with a chuckle. When it was suggested by Folk that fear of criminal proceedings against the Rock Island directors by the Department of Justice had hastened the sale of the Alton by the Rock Island, Yoskum in-
